Minutes of the Regular Monthly Club Meeting

The meeting was called to order by President Robert Frye (KJ4MIC) at precisely 7:00:00 pm. The location was at the Emergency Operations Center (EOC) in Robertsdale, AL. Present at the meeting were 171 members and 3 guests. A quorum of members was present to conduct business.

Old/Unfinished Business:

The June 2014 regular meeting minutes were read and approved without changes.

The treasurer's report was read by Charles Vasut (AF4I) and approved. The current bank balance is \$3,696.59. There is \$535.69 in the repeater fund.

Joel Emmett/W2BJN and Tom Phipps/KA4CSG presented a Field Day summary.

New Business:

The latest VE testing produced four new hams - one extra, one general, and two technicians.

We were visited by a delegation from the Mobile Amateur Radio Club, consisting of Mike Hartmann (President), Haj Hartmann, and Betty Ward. They were interested in generating interest in the Mobile club's activities and working more closely with SBARC in general.

Dave Hottell/AB9CA talked about old club records that are being stored at the EOC. These are likely old bank statements, station information, and antenna information. SBARC needs to remove these records from the EOC. President Frye suggested that a committee made up of himself, Dave Hottell, and Bruce Raymond be formed to review and remove the records.

The August program will be a show and tell with the members showing off their CW keys. Bragging is encouraged.

The meeting was adjourned promptly at 8:07:52 pm.

Bruce Raymond/ND8I
