

TECHNICIAN COURSE INFORMATION

An opportunity to learn new skills and serve your community in vital ways during a disaster.

The Amateur Radio Club of Westminster Village (AB4WV) offers a 5-week Technician Course TWICE a year that prepares participants to take the national Technician license test. SPRING course starts April 10th and FALL course starts October 16th

THE COSTS ARE:

1. A course fee of \$25 check or money order payable to ARCWW
(Course is FREE for Westminster Village Residents and Employees)
2. A testing fee of \$15 CASH paid the day of testing to our club's VE Leader
3. Once you pass the test a \$35 ONLINE PAYMENT to the Federal Communication Commission (FCC), to receive your license and call-sign. (this must happen within TEN 10 days of receiving the FCC link via your email).

CLASSES BEGINS on a Friday evening: 6:30pm to 8:30pm. Classes will occur every Friday thereafter for 5 classes. There is a limited number of students that can be accepted. Testing will follow on a designated Saturday morning after the course ends.

CONTACT If you are interested in participating, want a Registration form or have questions, send an email to Pattilynne, km4zgb@gmail.com
