April 17, 2014

Minutes of the Regular Monthly Club Meeting

The April SBARC meeting was held at Big Daddy's restaurant (adjacent to Fish River) at 1:00 PM on April 17th. Spouses were invited and a significant number came. There were approximately forty people attending the lunch.

The meeting was called to order by President Robert Frye following lunch, which began at 1:00 PM. It was decided to postpone the normal reading of the Treasurer's and Secretary's reports until the next meeting.

Old Business:

Joel Emmett and Tom Phipps have been researching locations for Field Day. Joel presented their findings. Two options were presented: 1) Garrett Park in Robertsdale and 2) join with the Lillian group at the Lillian Fire & Rescue facility.

The Lillian group has access to indoor facilities (air conditioning and bathrooms) along with a large generator. After a discussion there was a vote to join the Lillian group for Field Day.

New Business:

Richard Lee reminded club members that there will be VE testing on Thursday, May 8.

The meeting was adjourned at 2:15 PM.

Bruce Raymond/ND8I
SB-ARC Secretary
